

ECC Meeting November 7, 2024

Present: Phil George, Adam Scalisi, Kathy Bertuch, Beth Aust, Craig Dennis, Paulie Drexler

October meeting minutes approved

Chair Phil George reported he'd asked Town Supervisor Mark Nardella about any progress on the town's social media policy; the topic is supposed to be discussed at the next Town Board meeting.

No new business for this committee

Continuing business:

- Nothing new on the site analysis tier 3 solar projects
- Seasonal contests: pumpkin carving contest had 11 excellent entries. Winner will receive a gift certificate to Springside Farm. The Chicken Ranck store was mentioned as a possible donor for future contests. Beth's jotform method seemed to work really well for those of us using it. The picture of the winning entry will be on the town website as soon as Veronica can get it.
- Earth Day – Martha sent in a report. She emailed all vendors, hasn't heard back yet. We've requested \$500 for additional signage but do not have that result yet. We do need better Entrance and Exit signs, among others. Manlius will hold their Earth Day in May, so we are not in conflict with our intended date of April 26th. Contact has been made with Don Chrysler for the Boy Scouts to do a can drive; Mr. Wilder from the high school for coffee and donuts, and some kids that require community service work; Karen Exelby for the Girl Scouts to sell cookies if they have any left; Paulie will order 500 Norway Spruce to give away.
- No update on Master Plan
- Community engagement: Suggestions for an adult-themed contest? Maybe a photo contest, with potential of a calendar to result. Possibility of timing it with the Pompey Field Days or Historical Society Strawberry Social?

Meeting adjourned.

Next meeting to be 12-05-2024, 7 pm.
